## 16th July 2021

Hello everyone,

What a fantastic Arts Week we have had! Children really enjoyed drama, lots of wonderful art activities and fantastic circus skills workshops with Circomedia. There were also some sunny trips out on the water, with year 2 visiting the SS Great Britain (do you know what the SS stands for?) and some lucky year 4 children who helped to launch Bristol's new plastic fishing boat 'Seacycler'. We enjoyed a splendid performance from year 1 and a wonderful leavers' assembly from year 6. We wish all the fabulous Year 6 children the very best for the future. I would like to say a huge thank you to all of you, for coping so well with what has been a very challenging year. Let us hope that the year ahead is easier and more settled for everyone.

Monday is Splash day and Hannah More's Got Talent, so please come prepared. Then many families will be celebrating Eid on Tuesday and our final day is Wednesday, when we will be saying a sad goodbye to some friendly faces.

Have a lovely weekend,  
Sue Ramsay, Headteacher

**SPLASH DAY** is on Monday. Please come to school in clothes (and shoes) that can get wet, then bring your school uniform in a bag to change in to afterwards.

## LEARNING CHAMPIONS!

Lavender:	Emily	Reception:	Mariam
Year 1:	Munir and Mujahid		
Year 2:	Sara and Noah		
Year 3:	Eba and Sudais		
Year 4:	Musna and Danilo		
Year 5:	Riyan and Bushra		
Year 6:	Yusuf and Hamsa		

This week we have been so busy! We have taken part in circus skills on the field, learnt about Antarctica and created some amazing pieces of artwork. We also enjoyed a wonderful trip to the park! Help at home by practising your handwriting, reading as many books as you can, playing outside, painting, drawing and having fun! Talk about what you are doing, how you feel and encourage as much communication as possible.

## Reception

We learnt all about Antarctica for our arts week activities. We had great fun making penguins from old toilet rolls, igloos from sugar cubes and exploring melting ice. We enjoyed the story 'Lost and Found' and some children had their own idea to make paper boats which we tested out in our water tray. Have a lovely Eid if you are celebrating and a lovely Summer holiday! We would like to thank all families for your support with your children's learning this year and wish you well for next year.

## Year 1

We were busy performing our play this week! We were very excited to showcase all the hard work that went into our performance. We also enjoyed taking part in a circus skills workshop and getting involved in lots of creative work during arts week! At home, please recap phonics knowledge up to phase 5!

## Year 2

We have been incredibly busy! We were finally able to go to the SS Great Britain which we loved. Make sure you use your golden ticket for a free trip with your families! We also had a fantastic arts week themed around North America. We have enjoyed animal collages, rain sticks and Mexican mirror art! Please visit the library over the summer break to find some great books to read! Keep practising those addition and subtraction number facts too!

## Year 3

We've had a fantastic arts week themed around Australasia. We have enjoyed dot painting, listening to and making aboriginal music and baking a super yummy lamington cake! Please read as often as possible with your child and ask them questions about what they are reading. Continue going over times tables too!

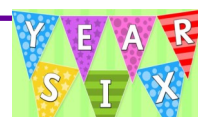

## Year 4

We've had a fantastic arts week themed around Asia. We enjoyed making and painting clay dragons, using water colour paints to create cherry blossom trees and cooking spring rolls. At home, read as often as possible with your child and ask them questions about what they are reading.

## Year 5

Arts week has been so much fun! We produced all sorts of art (clay, watercolour, foiling and oil pastel drawings) all based on South America. We were lucky enough to learn circus skills with Circomedia, we responded to drama from Travelling Light and made Alfajores cookies. Please complete your revision booklets over the holidays and make sure your child reads regularly.

This week we have been busy practising, practising and practising our performance in our final full week! We're so excited to share it with you. We also enjoyed a treat at Puxton, arts week creativity and an exciting visit from Circomedia.

Please join us in celebrating all your children's fantastic achievements throughout their time at Hannah More! Join us 1.40-2.20pm on Monday on the field for tea and cake. Enter through the field gate, opposite The Barley Mow.

## Open Your Street for Play!

Play Streets are short road closures usually organised by neighbours on their own street, creating a safe space for children to play outside

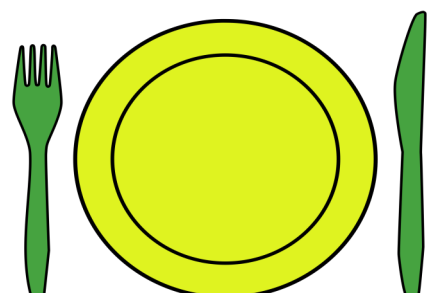

Outdoor play is vital for children's wellbeing and Play Streets are an ideal (and free) way for children and communities to reconnect post lockdown.

Playing Out can help! Visit [www.playingout.net](http://www.playingout.net) or call 0117 9537167

Is your child moving up to Year 3?

**In September you will have to pay for school meals unless you have applied online for free meals. Please check you have done this!**

We now sell school uniform online. Here is the link, which you can also find on the website.

[www.pbuniform-online.co.uk/hannahmore](http://www.pbuniform-online.co.uk/hannahmore)

If you need uniform for September make sure you order it by the end of July. It costs £2.95 to have your order sent to your home. Or, you can have it delivered to school free. School deliveries are sent twice a month on the 2<sup>nd</sup> and 4<sup>th</sup> Mondays, and start from 3rd September.

We still have some items of uniform in school which we need to sell first, before they go online. These are mostly P.E. t-shirts and larger sizes of sweatshirts and fleeces. Please go online first. If the item isn't on the website it means that it can still be bought from school. We still have some samples in school if you need to decide the best size to buy for your child.
