

Hello everyone

This week started with 'class swaps'. This was an opportunity for children to get to know the teacher they will be with from next term. If you haven't already introduced yourself to the new teachers in the playground please do! There will also be a 'Get to Know you' meeting at the start of next term when you can meet them properly.

Thank you to everyone who has completed questionnaires about parents' views of school. This is an important opportunity for us to listen to you and understand your priorities. We will email this questionnaire out as well.

This week we welcomed a visitor to our Sunflower room. She was interested in how Sunflower room runs - and the effect of having a nurture room in our school. The feedback was overwhelmingly positive and the assessor was particularly impressed with Holly and Lily!

There is a lot going on this weekend in the community. St Jude's Fun Day AND the Dings street party are both taking place tomorrow - and both promise to be lots of fun. We also have another family swimming session on Saturday too, so I hope to see lots of you out and about!

Finally, please check you are aware of some of the great Playdays we have running in the holidays. There are some really exciting trips planned for children! Full details are inside this newsletter.

Have a good weekend,

Sue Ramsay, Headteacher

## Y6 LEAVERS

Your Y6 class photo orders **MUST** be brought into the office by **MONDAY 1ST JULY**. You can also order them online.

There will be full instructions in your photo envelope.

**Reception: Siraad and Menal**

**Year 1: Suber and Nico**

**Year 2: Ella and Musna**

**Year 3: Sumaya and Nadia**

**Year 4: Mohamed A & Mohamed A**

**Year 5: Abdulrizak and Abdirahman**

**Year 6: Omar and Mohamed N**

If you have not been to More 4 Kids club before, we'd love you to come and visit!

**FREE TASTER SESSION**

Bring this voucher to the office to book 1 free session!

Name .....

Class .....

Preferred Dates .....

# More 4 Kids After School Club

We will do our best to accommodate your preferred dates and will send a text or call to confirm your booking.

## SPLASH DAY WEDNESDAY 17TH JULY

Children MUST come in wearing their school uniform and bring with them a COMPLETE change of clothes (including underwear and socks), shoes

Parents welcome to watch the fun... but be warned you may get wet!

\*No water pistols or toys to be brought in please\*

Please start to bring back in your school books from next week!

Thanks for helping us with this **HUGE** job!

We are beginning to scan back in **ALL** of the books next week.

We need to start to collect in all of the reading scheme books, letter and sounds books and any borrowed books from The Hub.

Please help your children to go on a book hunt at home!

# Hannah More's GOT TALENT

TUESDAY 17TH JULY

The children will be taking part in the annual Hannah More's Got Talent showcase!!

Parents and carers are welcome to come along to watch the performances — texts will be sent out soon to let you know what time each class will be taking to the stage!

# Summer Play Days

## August 2019

There are still spaces on most of our fantastic Summer Playdays - the only one that is fully booked so far is the trip to Hengrove Park.

Playdays are cheap, fun filled childcare on various days throughout the summer holidays. A great chance for your child to meet up with school friends (and make new ones!), visit somewhere new and exciting and get out and about in Bristol!

- You can book up to 3 playdays for your child
- Playdays start at 10am at school and finish at 3pm
- The cost is £3/£5 per child per day!
- You need to provide a packed lunch every day

**Spaces are limited and will fill quickly so please book early!!**

**This Summer Holiday 2019**  
**At MAY PARK PRIMARY SCHOOL**  
**IN EASTVILLE**

**OUR FUTSAL 2 FOOTBALL PROGRAM IS BACK!**

Are you children football mad? Are you looking for a safe and secure environment?

At F2F we want to develop your child's love of the beautiful game in a friendly controlled safe environment. We spend each day developing each child in not only their footballing ability but also their life skill.

**ONLY £14 per day**

**Our Philosophy:**

Our futsal to football sessions work around a structure that focuses on three main areas -

- Ball mastery: developing the touch, coordination and technique with the ball.
- SAQs: Developing a child's speed, agility and quickness to improve their multi-directional movement.
- Creativity: Encouraging player's creativity, improvisation and independent thought.

**Play football and make new friends!**

**BOOK NOW at [www.progressive-sports.co.uk/bristol-south-glos/book-course](http://www.progressive-sports.co.uk/bristol-south-glos/book-course)**

**Ages 6-13**  
**years old**

**Each day from 10am - 3pm**

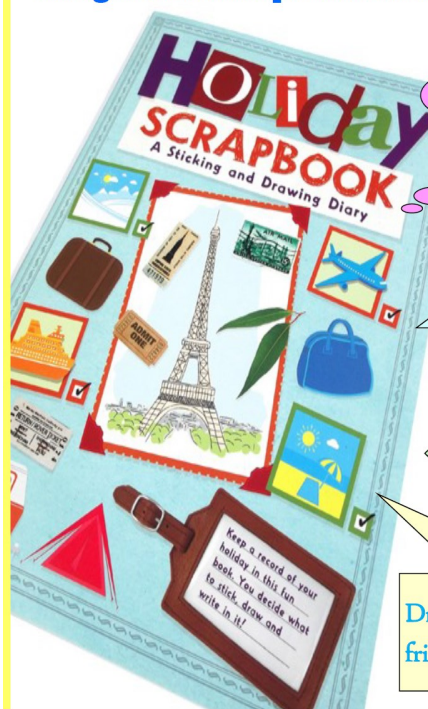

**progressivesports**  
...raising standards

# SCRAPBOOK your SUMMER

**HANNAH MORE'S SCRAPBOOK CHALLENGE!**

This summer we're giving every child a scrapbook, scissors, glue and a pencil. Fill your scrapbook with news, drawings, photos and stick in items you find on your travels!

**Bring it back in September and you might WIN A PRIZE!**

Tell us about your hobbies, add pictures, news and facts ...

Add postcards, tickets, leaflets and items found on your adventures...

Write about your holiday, trips and days out....

Draw pictures of your family and friends, add photos or messages...

# What have we been learning?

Reception.... This week we learnt about money.

We learnt what we need it for, we learnt about the different coins and how to find out how much money we have all together. We also watched our caterpillars grow and asked different types of questions to find out more.

At home, when you go shopping, ask your child to help count out the money that you need to buy an item.

Year 1... This week Year 1 learnt how to tell the time in maths! We learnt the words o'clock and half past. We also wrote recounts in English as the Beast from our story. At home, please continue to read with your child every day. Ask them what the time is – using o'clock and half past. AND - make sure you complete your homework.

Year 2... This week as mathematicians we continued to look at time. We have grown so good at it we have been reading the time on the clock for our teachers! As authors we predicted how Anna Hibiscus would finish and acted out our ideas. At home, please continue to read with your child every day. Practise learning the time with them.

Year 3... This week as mathematicians we explored angles in shapes. As authors they we practised our story writing skills and as scientists we began to consider how healthy we are - and we explored different food. At home, please continue to read with your child every day. Practise learning the time with them.

Year 4... This week Year 4 visited Into University and learnt all about different careers (and got to try them out!). Both classes also had a class treat and got to enjoy some games in the sun. At home, practice your homework spellings to prepare for your spelling test.

Year 5... This week we calculated missing angles on lines and in some shapes. We also wrote our own versions of 'the next chapter' of our class book, using skills such as: show not tell, figurative language, varied sentence starters and including a balance of action, description and dialogue. As part of our Enquiry, the children learnt about habitats and how some animals adapt to their environment. At home, please Support your child to practise how to measure angles accurately using a protractor.

Year 6... This week we had a first look at our leavers' performance (which is on Mon 22nd July) script! The children also started to design their own theme park, considering budget, promotion and layout. This week we gained some sketching skills as artists and developed our swimming abilities too! Please read through the performance script with your child!
