

Hello everyone

Welcome back to school! It has been lovely to see children settle so well into their new classes and to hear about your holidays. Teachers are looking forward to the year ahead and to getting to know you over the coming weeks. Please read the important information below about meetings coming up.

There has been a lot of building work in school over the summer. The heating has been replaced and More 4 Kids room completely renovated. We have also moved our learning space for children who are on the autism spectrum or who have language and communication difficulties into Lavender room. There will be more news on these new spaces in next week's newsletter, along with some information about new staff members. Best wishes,

Sue Ramsay, Headteacher

## Meet the teacher

### Monday 9th September 3.30

On Monday after school you are invited to meet your child's teacher in their classroom. This is a very short meeting where you can find out about the class routines and expectations as well as information about PE, book bags and so on. If you have more than one child, please drop in to all the classes, as teachers will repeat the information for people coming a bit later. Please make sure your children stay with you for these meetings children should not be outside unsupervised at the end of the day.

# HELLO

## Getting to know you

**Tuesday 17th and Wednesday 18th  
September, 3.30-5.30**

At these meetings we find out what parents want for their children. The meetings run a bit like our Learning Review meetings. Parents have a ten minute slot with teachers, where you can talk about your child and any concerns you have about them. Teachers are looking forward to meeting you and finding out more about you and your family! Please email the office with your details, stating what time would be best for you, or sign up with the teachers in the playground next week.
